

GOLD HIM COOL

GOLD HIM COOL is high quality corrosion inhibited green ethylene glycol liquid for use in internal combustion engine cooling systems. It meets the requirements of Mercedes Benz 325.0 and British Standard Specification for Corrosion inhibiting Engine Coolant Concentrate (Antifreeze) BS 6580:1992.

“ Ready to use”

PROPERTIES:-

- Prevents sludge and deposits, rust and corrosion
- Wide temperature range application.
- Long service life reduces maintenance costs
- Good compatibility with sealing materials
