

GOLD SYN FLUID 5W-20

GOLD SYN FLUID 5W-20 is a very high performance, synthetic diesel engine oil that provides excellent lubrication including long drain capability, helping towards long engine life for diesel engines operating in severe applications. The advanced technology behind this product delivers exceptional performance in turbo-charged as well as older naturally aspirated engines. The 5W-20 viscosity grade is one of the most recommended viscosity grades for new cars.

Properties

- Excellent wear protection in all driving condition
- Prolong engine life
- Fast lubrication at extremely low temperatures making start up easy
- Superior Active Cleansing Agents help remove built-up dirt and deposits
- Superior thermal and oxidation stability
- Reduce friction, sludge and varnish
