

Gold Automotive Portfolio

Product Name	API quality level	Description	Viscosity @ 100°C
Motor Cycle Oil			
GOLD SUPER 4T PLUS 20W40	SM	Gold Super 4T Plus is a superior quality engine oil specially developed for all 4-Stroke Two Wheelers. Highly refined base stock and proven performance additives are used to formulate this oil which ensures excellent protection for engine, gear box and wet clutch performance.	14 - 16
GOLD SUPER 4T PLUS 10W30	SM		10 - 12
Diesel Engine Oil			
GOLD GEC PLUS 20W50	CF4	GOLD GEC PLUS 20W50 is formulated with high quality paraffinic base stocks, detergents, dispersants, oxidation and corrosion inhibitors, antiwear and antifoam additive.	17 - 19
GOLD ALFA TURBO 15W40	CI4 Plus	Gold Alfa Turbo 15W40 CI-4 Plus is an Extra High Performance Diesel Engine oil specially developed for heavy duty vehicles with enhanced wear protection, corrosion protection. It offers excellent soot handling capability, superior TBN retention, Improved fuel economy & extended oil drain interval.	14 - 16
GOLD MAGIC PLUS 15W40	CI4 Plus	Gold Magic Plus 15W40 CI-4 Plus is an Extra High Performance Diesel Engine oil specially developed for heavy duty vehicles with enhanced wear protection, corrosion protection. It offers excellent soot handling capability, superior TBN retention, improved fuel economy & extended oil drain interval.	14 - 16
GOLD GEC PLUS 20W-40	CF4	It is formulated with high quality paraffinic base stocks, detergents, dispersants, oxidation and corrosion inhibitors, antiwear and antifoam additive.	14 - 16
Passenger Car Motor Oil			
GOLD GEC 20W50	CF/SF	GEC 20W50 is a superior quality engine oil designed for diesel and gasoline engines. Highly refined base stock and proven performance additives are used to formulate this oil which ensures excellent deposit control, oxidation resistance, wear and rust control.	17 - 19
GOLD CNG 20W-50		Gold CNG Oil is a specially designed gas engine oils intended for use in vehicles running on Compressed Natural Gas (CNG), Liquefied Petroleum Gas (LPG). Highly refined base stock and proven performance additives are used to formulate this oil which ensures excellent oxidation & nitration resistance and protection against engine wear.	17 - 19
Automatic Transmission Fluid			
GOLD ATF TYPE-A		Gold ATF Type A is an high quality automatic transmission fluid for imported and Indian cars. It is developed for the automatic transmissions and power steering systems of vehicles specifying use of General Motors TYPE A SUFFIX A quality fluids. Highly refined base stock and proven performance additives are used to formulate this oil which ensures excellent friction durability performance, superior oxidation stability leading to longer fluid life and improved wear protection and corrosion protection.	6 - 8
Automotive Gear Oils			
GOLD GEAR EP90	GL4	It is a high performance Gear Lubricant formulated to provide excellent lubrication for wide range of automotive transmissions and axle drives. It is recommended for manual transmissions of Heavy duty Trucks and Buses, LCVs and Passenger Cars and also recommended for Off highway equipment used in construction, mining and agriculture.	16 - 18
GOLD GEAR EP140	GL4		27 - 30

Gold Automotive Portfolio

Product Name	API quality level	Description	Viscosity @ 100°C
Automotive Gear Oils			
GOLD AUTO GEAR 80W90	GL-5	GOLD AUTO GEAR oils are high quality extreme pressure type gear and transmission oil suitable for use in cars, trucks, buses, construction plant and industrial applications. It meets the requirements of API gear oil classification GL -5 and US Military MIL-L-2105. They are formulated from the highest quality paraffinic base oils and incorporate sulfur-phosphorus type extreme pressure and other agents that provide excellent protection against foaming, rust and corrosion.	14 - 16
Pump Set Oil			
GOLD PSO		GOLD PSO is blended from highly refined base stocks and a combination of anti-oxidant, anti-wear and anti-foam additives to meet the lubrication requirement of agriculture pump sets. This oil is recommended for agricultural pump sets, threshers, sugarcane harvesters / crushers etc. The resulting oils meet or exceed the requirements of API Service Classification CC and SE and U.S. Military specification MIL-L-2104B. It also meets the B.I.S specification, IS 13656, EDL-1.	13.5 - 15
Front Fork Oil			
GOLD FRONT FORK OIL		GOLD FRONT FORK OIL is specially developed for use in hydraulic front forks of motorcycles. It is very stable mineral based suspension lubricant, it minimize foam to ensure excellent suspension dampening capabilities. GOLD FRONT FORK OIL reduces risk of corrosion & oxidation. GOLD FRONT FORK OIL preserving oil-seal & provide smooth fork operation.	65 - 70
Grease			
GOLD EP GREASE	NLGI 000, 00, 0, 2 & 3	GOLD GREASE is a premium quality Light color Lithium soap fortified with other performance extreme pressure additives base grease having excellent mechanical and thermal stability made with MVI oils.	
GOLD MP GREASE			
GOLD MOLY GREASE	NLGI 3	GOLD MOLY GREASE is multipurpose grease, fortified with solid lubricant and developed for both Automotive and Industrial applications. It is based on an optimized balance of mineral base oil, lithium thickener technology and a specially selected additive system incorporating EP/anti-wear chemistry, antioxidants and corrosion inhibitors. The inclusion of molybdenum disulphide enhances load carrying performance whilst reducing friction, especially in those components where reciprocating or sliding motion is prevalent.	
Coolant			
GOLD HIM COOL		Gold Him Cool is high quality corrosion inhibited ethylene glycol liquid for use in internal combustion engine cooling systems. it meets the requirements of Mercedes Benz 325.0 and British Standard Specification for Corrosion inhibiting Engine Coolant Concentrate (Antifreeze) IS 5759 : 1994. Gold Him Cool is recommended application for mixed fleets where both light duty heavy duty trucks or present. its environments where freeze protection and a low acute toxicity base fluid are needed.	
Brake Fluid			
GOLD BRAKE OIL	DOT 4	Gold Brake Fluid Dot 4 has been formulated from mixed polyalkylene glycol ethers and high performance additives and inhibitors which give ultimate system protection against the effects of corrosion and high temperature vapor lock. Gold Brake Fluid Dot 4 is a high boiling synthetic brake fluid which far exceeds the requirements of Type -II (DOT 4) or IS: 8654-2001 specifications.	

DETAILED TECHNICAL SPECIFICATIONS WILL BE PROVIDED ON REQUEST.

GOC Petrochemicals Pvt Ltd

GOLD PRODUCT LINES

Manufacturer Of

- ◆ Textile Lubricants, ◆ Grease ◆ Rubber Process Oils
- ◆ Light Liquid Paraffin ◆ White Oils ◆ Metal Working Fluids
- ◆ Synthetic Lubricants ◆ Transformer Oils ◆ Automotive & Industrial Lubricants

Plant : Plot No. 5, Survey No. 207/5, Village : Umarkui, Silvassa-396230, Dadar & Nagar Haveli
